

# JOB OPPORTUNITY

Job Opportunity Bulletin:

#04-062

Final Filing Date:

November 18, 2004  
or Until Filled

Position:	Salary:	Location:
Senior Structural Engineer	\$5590 - \$6790	Office of Statewide Health Planning and Development Facilities Development Division 1600 Ninth Street, Room 420 Sacramento, CA 95814

## General Statement:

Under the general direction of the Staff Services Manager III, the incumbent is responsible for the review and administration of contract services for structural plan review, site analysis and anchorage pre-approvals.

## Duties:

- Review structural aspects of contractor's plan review work to ensure that work meets the standards and requirements of code and regulation. Participates in meetings between the contractor and hospital owners and their engineering staff on issues involving difficult structural problems in the contracted plan review. In the absence of contract review work, review pre-approval documents, prepare correspondence, and assist with Regional and Seismic Retrofit Program structural workload.
- Develop specifications for contracting for structural plan review services to include writing requests for qualifications.
- Evaluate contract qualifications and recommend the selection of contractors.
- Participate with architectural staff to develop recommended payment levels for structural plan review contracts with private firms and individual consultants.

## Desirable Qualifications:

- Knowledge and experience in structural design, plan review and construction methods.
- Knowledge and experience in interpreting requirements governing design and construction of health care facilities in California and interpreting Geotechnical/Geohazard Reports.
- Ability to handle code enforcement issues with architects, engineers, project managers, and health care facility owners.
- Ability to apply technical skills to formulate practical solutions in resolving structural plan review issues.
- Knowledge and experience in retrofit of existing structures.
- Knowledge of OSHPD pre-approval program, testing of Special Moment Frames, Buckling Restrained Braud Frames, and Passive Energy Dissipation Devices.
- Good writing and oral communications skills.
- Excellent interpersonal skills.
- Ability to handle stressful or sensitive issues with tact and diplomacy.

**Who May Apply:** Applications will be accepted from individuals currently in the classification or individuals who have list, transfer or reinstatement eligibility. Applicants with list appointment should attach a copy of their notice of test results. Appointments are subject to SROA and State surplus policies. Only the most qualified candidates will be interviewed.

Interested parties should submit a State Examination and/or Employment Application, Std 678 and a resume to:

OSHPD - Facilities Development Division
